Salatiga City, Central Java, Indonesia.

Fullstack & Android Developer with expertise in developing web and mobile applications using React.js, React Native, Kotlin, Java, and Android SDK. Skilled in both Front-End and Back-End development, including Java Spring Boot for server-side applications. Experienced in API integration and collaborating with Back-End and UI/UX teams to enhance application performance. Passionate about exploring emerging technologies to develop innovative and efficient digital solutions.

Experience

IT Bootcamp Enigma Camp - Jakarta, Indonesia Mar 2024 - Aug 2024
IT Specialist Trainee

- Developed "Save It!", an E-Procurement and Warehouse Management System, using React.js, React Native, Java Spring Boot, and PostgreSQL, as part of the Nexus Techlab Team.
- Contributed to full-stack development for web and mobile applications, focusing on functionality, UI/UX, system optimization, and state management with React Redux.
- Enhanced front-end and back-end skills by completing challenges in React Forms, Lists, Hooks, and working on database queries and Java Spring Boot implementations.
- Participated in live coding sessions, discussions, and problem-solving activities, and presented the team's project results in English.

PT Qatros Teknologi Nusantara - Yogyakarta, Indonesia Feb 2023 - Jun 2023
Internship - Android Developer

- Published the Logibug Android application on the Play Store (Kotlin, Android SDK).
- Led the Android Developer team in developing key features.
- Collaborated with Backend & UI/UX teams for API integration & UX optimization.

PT Qatros Teknologi Nusantara - Yogyakarta, Indonesia Aug 2022 - Dec 2022
Internship - Android Developer

- Developed the UI for the Qarpa Android application based on UI/UX team design, using XML Layout to ensure a proper and responsive interface.
- Performed debugging & testing on key features, reducing bugs and ensuring application stability without crashes.

Education

Universitas Teknologi Digital Indonesia - Yogyakarta, Indonesia. Sep 2019 - Oct 2023
Bachelor of Informatics, 3.84/4.00

- Cumlaude Graduate
- Certified Internship Program Kampus Merdeka Batch 3 & Batch 4
